

Craig L. Blackwell MD  
*Eye Physician and Surgeon*

---

Welcome to our practice.

On this site you will find our new patient forms for you to print and complete before your visit. There are three forms: registration, medical review, and insurance consent.

Please fill out the top half of the registration form. There is a brief medical history for you to complete. If you prefer not to write out your medications on that form, bring a list of them and we will copy that. The insurance consent form requires your signature.

Please bring all of your medical and vision insurance information with you. We will need to make copies of your insurance cards. We are happy to bill your insurance for you. Any co-payments are due at the time of your visit. For your convenience we accept cash, checks, and credit cards.

If you wear glasses, please bring them with you. Contact lens wearers should wear their contacts to the first visit. Your visit should take a little more than one hour, and your eyes will probably be dilated.

If you have any questions, please do not hesitate to call.
